

Good news! Effective immediately Sierra Pacific Mortgage has implemented a price incentive of .625 on FHA/VA high balance loans. The criteria are:

Product codes: T100HC and T200J

Min FICO: 660

No temporary buydowns

This is live in Sierra's pricing engine now. This will be on the rate sheets, LoanSifter and ARIVE on Wednesday, March 13, 2024.

One additional note; this is a temporary incentive. Please take advantage of it while it lasts.
